I am sending this email in support of the ALJs Recommended Opinion and Order referenced above and request that you adopt the order at the upcoming Open Meeting. If not adopted, my wife and I would see a rate increase of approximately \$800 annually, or 70%, for an essential utility service. In my opinion this would clearly be an unreasonable rate increase on any citizen, regardless of whether still of working age or retired. However, as a retiree on a fixed income, this kind of rate increase would impose an extreme financial hardship on us. I ask that you consider these circumstances and adopt the Administrative Law Judge's opinion.

Thank you.
